Advance-Nilfisk Parts - Imagine how long and tedious it will be to tidy up after a party, without assistance from equipment. Previously, the dirt from carpets and upholstery had to be beat out of them by hand; brushes, cleaning cloths and brooms were the leading cleaning products during that time.

The man who established Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who really liked to work on electrical motors. After establishing his business in the year 1906, he started to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's dream from the start was to own a global business marketing products worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by one person. This creation came in a time where numerous cleaning machines were huge and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the method we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an existing dilemma; stuff get dirty and have to be cleaned regularly, without a lot of effort.

Gradually but progressively, Nilfisk-Advance expanded throughout the decades. During the 1980s, this growth truly happened the time the company became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap forward within the industry, aspiring to be among the biggest international players in the market of professional cleaning equipment. Nilfisk-Advance is currently located in all parts of the globe due to steadily obtaining a lot of smaller companies to be able to develop their product selection and presence in new markets. They are really proud to present different cleaning solutions to fit each and every requirement.
