

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known within the business as durable and strong machinery which suits the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide parts, warranty service and machines for these kinds of scrubbers that have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where efficiency and results matter. Lately, this floor scrubber model has been utilized by the architects in different construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
