

Concrete Hoppers

Concrete Hopper - This particular accessory is a self-dumping hopper which automatically sets off to unload as soon as bumper release contacts the side of a dumpster. After dumping is finished, the hopper returns to an upright and locked position. This piece of equipment likewise comes along with a cable that enables operation from the seat of the forklift to be able to have the option of manually dumping the hopper. There is a locking chain provided to lock the hopper to the fork truck. This particular product is made with reliable and consistent robotic welds for maximum strength. The lift truck dumping hopper even has a blue powder coat finish to maintain durability.
