

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like offering products which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to considerably reduce cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly committed to having both parts and technical support available when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machines ready and running everyday is top priority. The company's top of the line technology delivers dependable machinery which eventually reduces your cleaning expense. The product, the price and the service all work together to make them an industry leader.
